Editor's Message . . .

The theme of this 1969 SEQUOYAH is the Senior Class Motto. It has been used throughout this book in several ways, and now it can be applied to our yearbook again. Receiving this SEQUOYAH doesn't mean that it is "an end." It may be the last one for you, if you are a senior, but it is the one that will mark a new beginning. Five, ten, even twenty years from now, you can look through this yearbook and recall all the wonderful memories that you've known. This is the reason why a yearbook can never be "an end."

Working on a yearbook requires time, patience, and perseverance. I have had a SEQUOYAH Editorial Staff this year that put out these three essential qualities. To each of you, I say "thanks."

The family of Mrs. Judy Reynolds, our faculty sponsor, increased by one this year, but still she didn't lose interest in us and our task. A "thank you" could never convey the appreciation I feel for her many hours of hard work.

This SEQUOYAH wouldn't be in your hands right now if it hadn't been for the hard work of two really dedicated girls. Nora and Linda, thank you for everything you've done.

Any yearbook can talk if it has good pictures to tell its story. We are indeed grateful to Mr. Kurvis Burns and his staff of photographers for helping our SEQUOYAH "talk."

Without the assistance of Mr. Fred Elsing, Sr. and Chuck Fowler, our Taylor Representatives, we could never have completed our task.

Mike Stanberry deserves a special thanks for taking, developing, and printing pictures for us when our own staff photographers weren't available.

Finally, I would like to thank the administration and faculty for giving us their cooperation when we needed it most.

It is the sincere wish of the SEQUOYAH Editorial Staff that this 1969 SEQUOYAH will lead each of you to a new beginning filled with many fond memories.

Carolyn Wagner

Dear Mrs. Melton,

You have had lots of trouble with me this year and I guess you'll be glad to get rid of me. But next year you'll see me because of Ad. Staff. Thank you for all your kindness & patience. You have been so sweet & thoughtful. I'll always remember the donuts!!! I hope you'll be here a long time 'cause I want to come back & see you often. Hope you get the best classes next year. May God bless you because you deserve it!! Love, Joyce

To the sweetest Mona Melton I know -

I never dreamed a subject as over my head as algebra could be for me, but this year has been great. your great personality and frankness have been delightful!! I hope Martha comprehends the equations better than I have!

Nora

Dear Mrs. Melton,

I have enjoyed having Algebra this year + being in your class. Good luck in everything you do.

Mrs. Melton,

There couldn't be a more wonderful teacher and Person as you. I have enjoyed being in your class so much. I hope that even though I won't have a class with you next year that it won't break up our friendship. I stay as sweet and great as you have always been, But that won't be hard. May God bless you.

DEAR MAMA,

It's kind of ridiculous to even attempt to sum up this year in a few words. First of all, thank you for your never-ending patience. Algebra has always baffled me, but with your help, I'm a little less baffled.

It's really been an experience having you for a teacher. Your wry remarks, your broadminded outlook, and your fabulous sense of humor have been a delight, especially compared to other teachers - (one in particular) - And you are the sole person who has ever made me understand anything about math.

To sum it up - you've been GREAT, Mama, so please stay your wonderful self.

Love, Candy Pickering

Mrs. Melton,

I couldn't begin to tell you how much I've enjoyed being in your study hall this year, and talking, joking, and just being with you. You are so much fun, and I am really crazy about you!!

Love ya lots,

Mrs. Melton,
One of the main reasons that this school year was so great was because of you. Each day seemed totally like a new experience because of you. I hope that I may acquire an outlook on life as you and be able to maintain a sense of humor. (Witty) Mrs. Melton words cannot express my appreciation to you and admiration. I hope over the summer that I may see you more but next I'll definitely come in to be a nuisance.
P.S. You're the only teacher that was so patient with me. Thank you.
